

Judging

- ✦ We have registered our team.
- ✦ We have completed the judging form.
- ✦ We have set up a team wiki.
- ✦ We have prepared a poster and a presentation, which we will be presenting at the Jamboree.
- ✦ We have completed the Attributions section.
- ✦ We have designed several new biobricks, including a fasten quorum sensing system along with specific metal ion detection and a new biosensor.
